OTE 91-1529
31 December 1991

MEMORANDUM FOR: Associate Deputy Director for Intelligence
VIA: Director of Training and Education
FROM: Director, Center for the Study of Intelligence
SUBJECT: Harvard Case Study on Analysis of the Soviet Economy

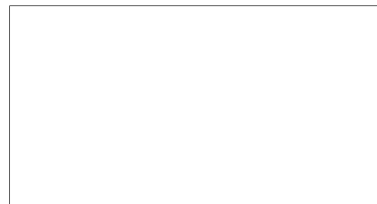

STAT

1. This memorandum forwards, for your information, a case study prepared by Harvard University's Kennedy School of Government for use in the CIA-sponsored program on Intelligence and Policy. Unless you object, we plan to concur in Harvard's use of the case.

2. Background: Under the program on Intelligence and Policy, the Kennedy School has prepared the attached case study on CIA analysis of the Soviet Economy. The study has been reviewed by analysts and managers involved in the events and by OTE officers. The draft does not contain any information on intelligence sources and methods that would require classification.

3. Plans: Unless you object, we will concur with the Kennedy School's plan to use this case in the next Intelligence and Policy Seminar, in March 1992.
